

ASAD AMEER

Full Stack Developer | MERN & MEAN Stack Developer

+92 3008792151 | asadameer656@gmail.com | Mailsi, Pakistan | [linkedin.com/in/maher-asad-564b52366](https://www.linkedin.com/in/maher-asad-564b52366)

PROFESSIONAL PROFILE

Passionate Full Stack Developer and BS Computer Science student at COMSATS University Islamabad Vehari Campus with practical experience in designing and developing modern web applications using MERN and MEAN Stack technologies. Skilled in building responsive user interfaces, developing scalable backend systems and managing both SQL and NoSQL databases. Strong understanding of Software Engineering principles, Object-Oriented Programming, Database Systems, Artificial Intelligence, Machine Learning concepts, Networking, and Cybersecurity. Committed to building efficient, user-focused solutions while continuously learning emerging technologies and industry best practices.

TECHNICAL EXPERTISE

Frontend:	React.js, Angular, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Tailwind CSS
Backend:	Node.js, Express.js, Laravel, PHP, Python, Java, C++
Databases:	MySQL, MongoDB, SQL, NoSQL, Database Design & Optimization
Core Skills:	MERN Stack, MEAN Stack, OOP, Software Engineering, System Design
Tools:	Git, GitHub, Postman, VS Code, MySQL Workbench, Cisco Packet Tracer

PROJECT EXPERIENCE

GharFix – On-Demand Home Services Platform

Developed a multi-role service marketplace connecting customers, workers, and administrators through dedicated dashboards. Built a responsive React frontend integrated with Laravel APIs, implemented role-based access control, secure authentication, booking management, and a structured MySQL database to support service requests and user management.

AI Resume Analyzer System

Created an intelligent resume screening platform using Machine Learning and Natural Language Processing techniques. The system automatically extracts candidate information, analyzes skills, compares resumes with job requirements, and

generates evaluation scores to streamline recruitment processes.
